Make joins #2 by putting your pieces on top of each other as before and join in the first chsp of the 2 smaller squares. Ch1, sc in chsp, 33sc in back loops only, sc in corner chsp of these 2 smaller squares. Sc in corner chsp of the next 2 joined squares and the middle square, 33sc in back loops only, sc2tog through both corner chsp of each smaller square and at the same time, as the next st of the middle square, 33sc in back loops only, sc in the last corner chsp of the 2 joined squares and the last corner chsp of the middle square, sc through both corner chsp of the next 2 small squares, 33sc in back loops only, sc in final corner chsp, fasten off.
